

gonna cash my chips and roam  
gonna walk before you fade to black  
I'm gonna write a new resume  
gonna write you off the page  
I'm gonna take what we might take away  
E  
and you might find a brighter day  
G  
you might find a brighter day, oh,

Chorus

D  
and in another year  
G A  
the pain will disappear and I  
D G A  
will look back on this life as if were a scene  
E G  
in a film somebody made for you and me I wish you well

I wish you well

Verse 2

D  
She wants to be set free  
wants the space to feel love and be angry and I  
I watch her bounce off the walls  
A  
while the chips they start to fall  
D  
then in a little while I see  
that distant smile returning  
just like a ghost in a dream that we had  
A  
back when  
E  
then she'll turn and smile and say  
G  
come again, oh,

Chorus

D  
and in another year  
G A  
the pain will disappear  
D G A  
we'll look back on this life as if it were a scene  
E  
somebody wrote about you and me  
G  
somebody made about you and me  
A G D  
I cannot believe there's nothing left to save  
A  
hard as a hammer she wants me

E  
to come again and again  
G  
I'm down on my knees  
E  
won't you come again  
G  
don't you need relief, oh,

Chorus

D  
and in another year  
G A  
the pain will disappear and I  
D G A  
will look back on this life as if it were a scene  
D  
and in a little while  
G A  
I'll see that distant smile returning  
D  
just like back in the days  
G A  
when we were so naive  
E G  
in a film somebody, somebody made, oh,
